PRIMARY SCHOOL

E-Newsletter and SMS communication

Dear Parents and Carers

Our school newsletter is issued electronically, coming to you via email each week as well as through our school website. This exciting innovation allows you to access school news online. This will provide a more vibrant and dynamic form of communication.

You may have already provided us with your e-mail address through the enrolment process but we still ask that you fill in the form below so we can cross reference your email address with your student's names.

For those families who do not have internet connection, please indicate below that you would like to receive a paper copy of the newsletter which will be delivered to your child's classroom.

Please also provide details of the parent/carer for receipt of SMS notifications.

Yours faithfully
Gary Ivory
Principal
